During this 6 month reporting period, have you (1) disbursed or expended monies in connection with activity on behalf of any foreign principal named in Items 8, 9 and 10 of this statement?

Yes.

If yes, set forth below in the required detail and separately for each foreign principal an account of such monies, including monies transmitted, if any, to each foreign principal.

Government of Gibraltar	Through 08/15	Admin. Costs		\$ 12,941.97

* Note that travel expenses, including airfare, lodging, meals, and other travel-related expenses are reimbursed expenses related to attendance at client meetings and events. Such travel involves firm personnel traveling on non-FARA-reportable business.

¹ Costs are reported by the date in which the expense was booked in the firm's accounting system, not by the date payment was disbursed.

² Administrative cost entries represent ordinary costs and expenses, such as long distance telephone calls, transportation, telecopy, messenger service, postage, duplicating and travel (where such travel involves firm personnel traveling on non-FARA-reportable business), incurred in the legal representation of client. No entry represents a disbursement to the foreign principal. A number of the administrative cost entries do not represent payments by the firm to third parties on behalf of clients, but simply costs incurred by the firm and reimbursable only to the firm.
